The meeting came to order at 6:30 PM

- Check reports were reviewed and signed.
- Chip made a motion to go into executive session, Doug 2<sup>nd</sup>, and Bob voted to approve the motion.
- The Selectmen discussed changes at the Transfer Station:
  1. Cones will be set up. The cones will make it so the attendants can guide the people to the right place to put recyclables and trash. Trash is being put in the wrong canisters.
  2. Doug made a motion to no longer except Shingles as of November 1, 2017, Chip 2<sup>nd</sup> the motion to approve Signs will be put up to notify the public.
  3. Stickers will be mandatory for vehicles to enter the transfer station at no cost. The stickers are proof that you are a resident of Goshen. Non-residents will not be able to use the transfer station. There has not been a date determined when this will go into effect. Tickets will still be needed to dump trash.
- Alicea Bursey stated she received a complaint from a resident the gravel pit was operating on Columbus Day. She called Shaun Carroll and he stated they did not observe the holiday. He closed the pit for the day.
- Doug stated the replacement of the roof on the grange will be delayed. The roofer is short on employees. Doug is going to see if he can find a roofer.
- The Selectmen approved the Sept 11 & 25<sup>th</sup> minutes with changes.
