

Effective April 1, 2020, the Goshen Transfer Station will implement new guidelines that residents must follow.

- The Transfer Station will be a “Drop And Go” location. No socializing at the Transfer Station please
- New sorting procedure - Recycling will continue however there will be no single stream recycling done at the Transfer Station. All items must be separated and cleaned prior. Plastic, aluminum, metals, etc all need to be separated before you arrive. Items not separated will be placed with household trash in the compactor and charged per bag.
- The free “K-mart” is closed until further notice.
- Respect social distancing, keep at least 6 feet from each other and drop & go your rubbish

Thank you for your cooperation,

The Goshen Board of Selectmen and GoshenHealth Department
